# FY20 Member Dues Proposal Background

---

## Why is TAGD Considering a Member Dues Increase for FY20?

In 2017, TAGD was facing a financial situation where it would not have funds to operate through FY21. Over the following year, TAGD membership carefully considered possible options for increasing member dues and fees as a financial strategy to allow TAGD to continue to provide services desired by members.

The membership selected a four-year plan with stepped increases to member dues and approved a 25% increase to FY19 member dues. This four-year plan was selected with the near-term goal of ensuring TAGD's solvency and balancing the budget, and a long-term goal of building reserves of at least 50% of TAGD's annual operating budget.

## Overview of FY 19 Member Dues & Fees Increase

Executive Committee (EC), Finance & Budget Committee (FBC), Texas Groundwater Summit (TGS)

- July 2017: FBC identified budgetary concerns and a need to increase revenue
- Nov 2017: EC & FBC reviewed TAGD programs, and identified Member Dues & Fees and the TGS contract as means to increase revenue
- Jan 2018: Membership discussed 3 draft Member Dues/Fees proposals based on a 5-year budget projection.
- Feb 2018: TAGD distributed an electronic survey to poll members on dues preferences
- March 2018: FBC identified a preference from the survey for a multi-year dues increase based on membership tier
- April 2018: FBC & EC reviewed proposed Member Dues/ Fees options, and EC approved 2 options for consideration by membership
- May 2018: Membership selected a 4-year plan for 25%-10%-10%-10% stepped increases in dues and approved a 25% increase in member dues for FY19
- May 2019: FBC & EC approved recommending a 10% increase in member dues to full membership for FY20 consistent with the 4-year plan
